

## **Biker Blues**

I got the Blues, the Biker Blues  
The Blues, baby, down to my shoes  
I got the Biker Blues  
C'mon, spread the good news

Bikers with big tattoos  
Comin' 'round, filling up them pews  
Bikers with long, long, hair  
Bowin' their heads now, sending up prayer

I got Biker Blues,  
Bikers, ridin' for Christ  
Watch out now, here they come  
Makin' that Devil run  
I got the Biker Blues

Biker Blues  
Bikers ridin' for Christ  
Well now, well 'ain't that nice  
Biker Blues

Bikers with kick-stands up  
Riding hard – got the devil shook up  
Bikers with cross on their back  
They don't cut, the devil no slack

I got Biker Blues,  
Bikers, ridin' for Christ  
Watch out now, here they come  
Makin' that Devil run  
I got the Biker Blues

The Biker Blues  
C'mon, it's real good news  
Bikers, comin' to town  
Spreading their love around, c'mon... oh ya...
