

# TEACH ME

**C7** **C**  
Teach me how, Oh Lord, to walk with you  
**C7** **C**  
Teach me how, Oh Lord, to walk with you  
**Am** **G**  
I know I haven't done so well; I've tripped and fallen many times  
**A7** **D** **Dsus D**  
But you were always there for me, to stand me on my feet again  
**F7** **G7**  
Now teach me how, to walk with you

Teach me how, Oh Lord to trust in you  
Teach me how, Oh Lord to trust in you  
I know that many times before, you reached for me, I turned away  
But since I put my trust in you, you've helped me in so many ways  
Now teach me how, to trust in you

Teach me how, Oh Lord, to serve you well  
Teach me how, Oh Lord, to serve you well  
I know I was so wrong before, I sinned against you many times  
I came to you confessed my shame; I know that you've forgiven me  
Now teach me how, to serve you well

Teach me how, Oh Lord, to live for you  
Teach me how, Oh Lord, to live for you  
I know I was a selfish man, concerned with all the world could give  
Those things have no meaning now; I want to live for you instead  
Now teach me how, to live for you
